

THE DEALER

Mo Money, Mo Problems

1 Timothy 6:6-10, 17-19

THE HEART OF THE SERIES

Put the odds of life in your favor through the wisdom of God's ways.

WHY?

Your money reveals what you believe really matters.

MONEY MATTERS

1. Choose to better your life.
2. See the big picture.
3. Recognize the risk is real.

THE BEST ODDS

Invest in what matters.

A SOUND STRATEGY

1. Accept that you are rich.
2. Put your hope in the giver, not the gifts.
3. Use your wealth to do good.
4. Focus on the eternal.

GET WISE

Increase your ministry giving by 1%.

Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.
