

THE DEALER

The Parent Trap

Proverbs 22:6

THE HEART OF THE SERIES

Put the odds of life in your favor through the wisdom of God's ways.

YOUR ROLE

To leverage your influence to point your child to the next step in a relationship with Jesus.

THE BEST ODDS

Start with, and focus on, the end.

BIBLICAL PARENTING

1. Choose to do the work.
2. Put up the right target.
3. Don't expect a harvest from a crop you did not plant.

TAKE NOTE

1. You need to be maturing in Jesus yourself.
2. Do what you can, and pray for what you can't.
3. Be careful not to rationalize their current actions by ignoring the scars of your past activities.

GET WISE

Pray with your kids this week.

Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.
