

JUST THE FACTS

How to Party Like Jesus

John 2:1-11

WHY LOOK?

The facts can build your faith.

FACT #1

Jesus had fun.

- We see this in the fact that Jesus went to parties.

WHY DID JESUS PARTY?

Jesus did not go to bring the party to life, but to bring life to the party.

HOW TO PARTY LIKE JESUS

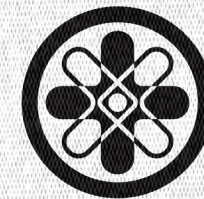

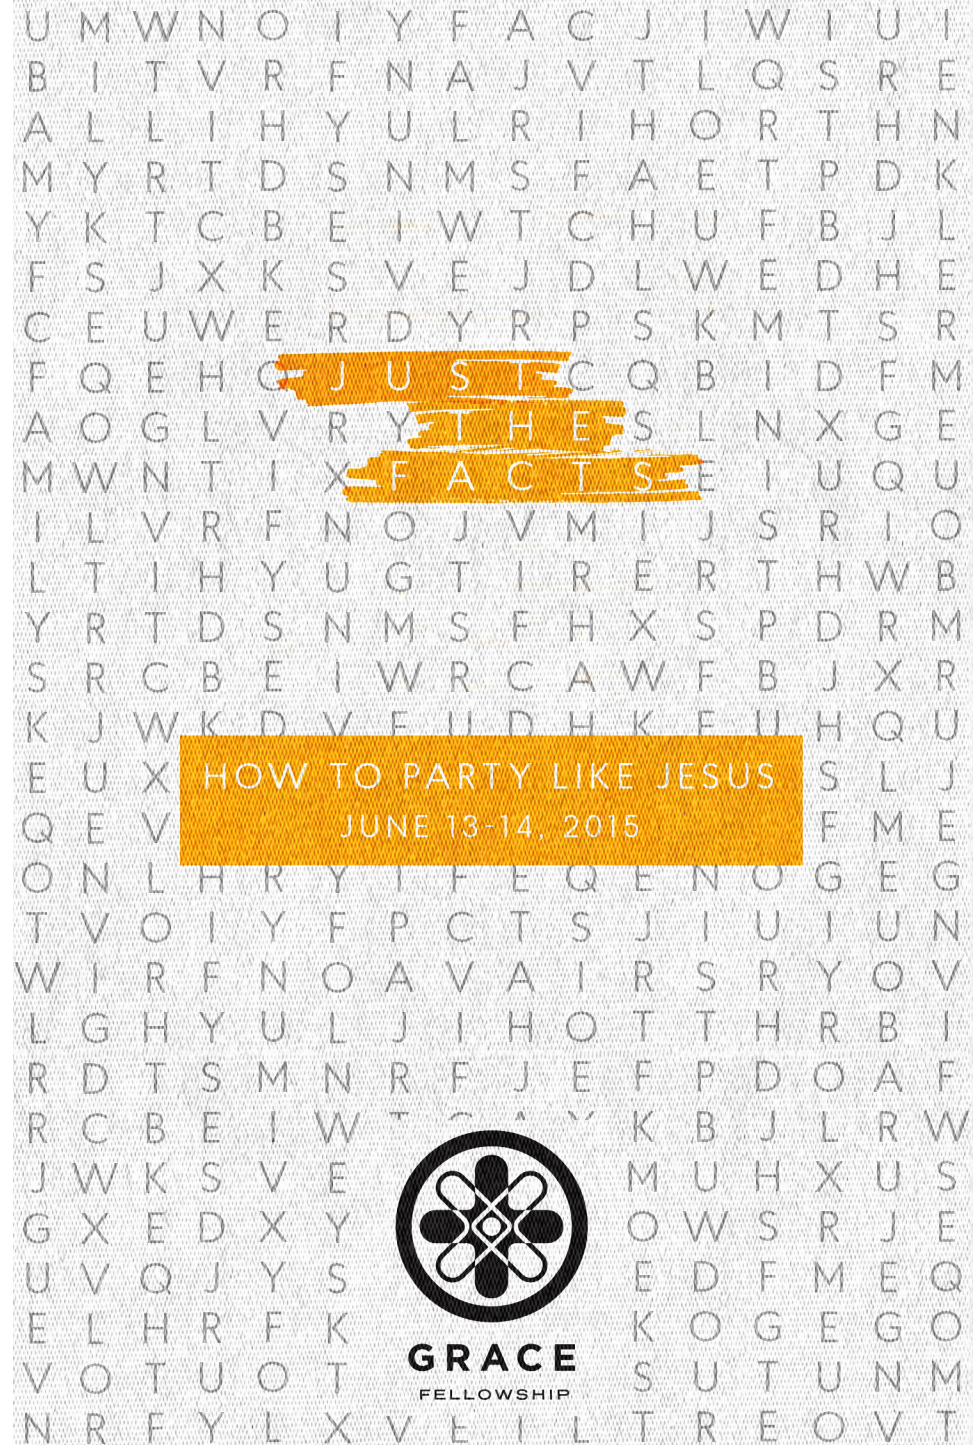

1. Celebrate what is worth celebrating.
2. Participate without conforming.
3. Recognize how to keep the party going.

BUILDING YOUR FAITH

The presence of Jesus can take any ordinary event and make it extraordinary.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
