

JUST THE FACTS

Entourage

John 11:1-43

WHY LOOK?

The facts can build your faith.

FACT #2

Jesus had friends.

WE HAVE A PROBLEM

Today's culture devalues friendship and values the superficial.

- Friendship is conditional.
- Friendship is situational.
- Friendship is vocational.

MAIN IDEA

True friendship points us to His Lordship.

THE REAL DEAL

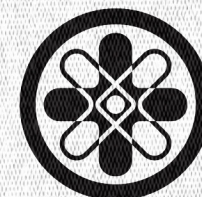

- Friends feel for each other.
- Friends forgive each other.
- Friends fight for each other.

BUILDING YOUR FAITH

The God of the universe is longing to be your friend.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
