

JUST THE FACTS

The Emotional Life of Jesus

Hebrews 4:14-16

WHY LOOK?

The facts can build your faith.

FACT #4

Jesus had feelings.

THE FELT NEED—BIG IDEA

Jesus understands and cares for our feelings.

JESUS FEELS FOR YOU

- Jesus felt what you have felt.
- Jesus gets it.
- Jesus wants to help you.

THE FACT OF THE MATTER

- Feelings should drive us to mission.
- Feelings should drive us to be empathetic.
- Feelings should drive us to help.

KNOW THIS

It's not the feeling, but our response, that matters.

BUILDING YOUR FAITH

You've never experienced a feeling that Jesus cannot relate to.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
