

JUST THE FACTS

Family Ties

John 7:1-13

FACT #5

Jesus had family.

REALITY OF FAMILIES

All families have issues.

MAIN IDEA

Jesus can relate to your messy family.

HOW WE MAKE A MESS

1. Proximity to people often leads to doubt.
2. Families are controlling.
3. All families will be divided at times.

HOPE

You are defined by Him, not by them.

BUILDING YOUR FAITH

The cross calls you into a new family.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
