1 Corinthians 9:19-27

REMINDER

Engage media with biblical lenses.

LESSON

It is easier to build bridges on even ground.

YOUR LIFE = BRIDGE

Disciples want their lives to be bridges that connect the unbelieving to Christ.

BUILDING BRIDGES

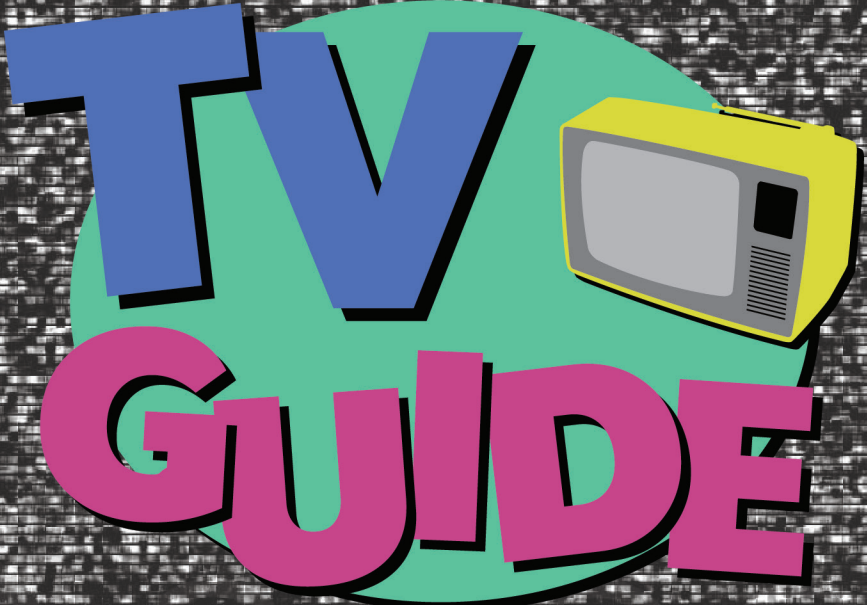

1. Remember the reason building bridges matters.
2. Become the distinction to make the connection.
3. Build hard and smart.

THE ULTIMATE BRIDGE

Perfection became the ultimate distinction to create a bridge to perfection. (2 Corinthians 5:21)

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
