## Stop Being Moral

Ephesians 2:1-10

---

### NEVER FORGET

We can learn about the supernatural through what seems superficial.

### LESSON

Life is found in the gospel, not in your goodness.

- The gospel is ultimately about Jesus, not you.
- The focus is a person, not principles and patterns.

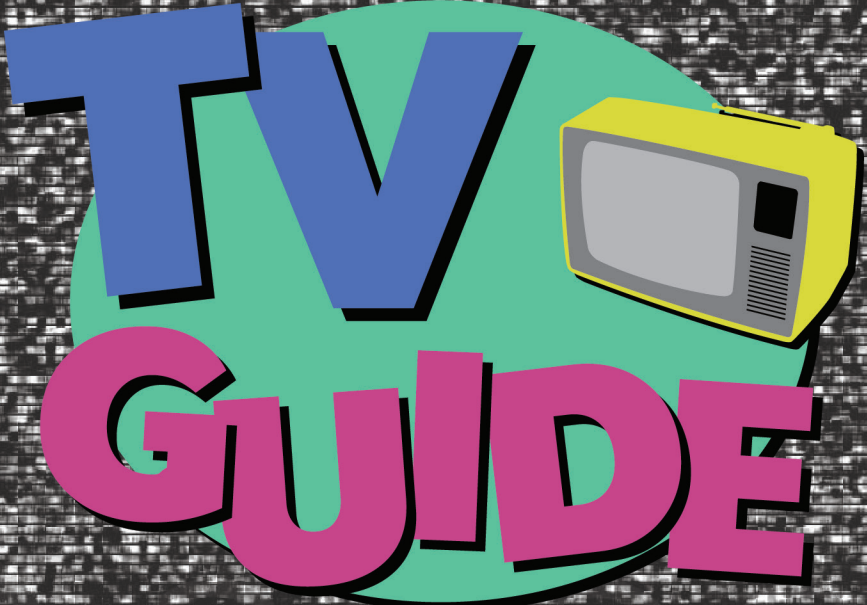

### THE TARGET

The gospel calls you to be a disciple.

- Disciple = One who is fully devoted to loving, following, and obeying his/her master.

### A DISCIPLE

1. Admits failure to meet the standard.
2. Accepts the claims of the master.
3. Acts on the kingdom agenda.
  - Making more disciples.
  - Personal piety.
  - Bettering the world.
