

GAMECHANGERS

Either/Or

Matthew 7:13-14

JESUS SAID IT

If you understand it, you understand it changes everything.

- These “its” are Gamechangers.

GAME CHANGER

Most people choose death over life.

CHOOSE

1. You have been invited to choose life.
2. There are only two choices.
3. The choice for life is narrow, but it is open.
4. Most are not choosing life.

CONCERN

You have chosen Grace Fellowship, but you have not chosen Jesus.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
