

GAMECHANGERS

A Reckless Boss

Matthew 20:1-15

IN THIS SERIES

We want to feel the weight of these gamechangers that Jesus taught.

GAMECHANGER

Grace is recklessly unfair.

- Grace defined: Unconditional acceptance given to an undeserving person by an unobligated giver.

RECKLESS GRACE

1. Your production doesn't determine your value.
2. He's the boss and you're not.
3. It's available to everyone.

BE RECKLESS

When we embrace grace, we extend grace.

THE GAMECHANGER FOR YOU

- Where do you need to embrace grace?
- With whom do you need to extend grace?

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
