

MY BAD CHURCH EXPERIENCE

The Real Thing

James 3:9-12

INTRO TO SERIES

A bad church experience should not keep anyone from knowing a good God.

- A good or bad church experience is irrelevant to whether the Christian message is true or false.

TODAY'S BAD CHURCH EXPERIENCE

Church people are hypocrites.

KEY THOUGHT

Only one for only one.

- Inconsistent obedience consistently obstructs.
- Hypocrisy hurts the credibility of Christ and the church.

BE HONEST

1. The inconsistency is inexcusable.
2. The consistency should be clear.

HEART CHECK

1. You are not being wise.
2. You are not really changed.

REALITY CHECK

All people, including Christians, are hypocrites, and this reveals the need for Jesus.

ADMIT IT

My hypocrisy is not helping others or honoring Him.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
