

MY BAD CHURCH EXPERIENCE

Messed Up

Isaiah 1:13-18

REWIND

MBCE #1: Church people are hypocrites.

- Only one for only One.

TODAY'S BAD CHURCH EXPERIENCE

The people at church hurt me.

IN LIFE

Getting hurt makes you question what hurt you.

KEY THOUGHT

Do not blame God for his followers' failures.

RECALIBRATE

1. It's more than routine.
2. Get off the couch.
3. Lengthen the fuse.
4. See the stain.

REALITY CHECK

If you are expecting to attend a church that will never hurt you, you will never attend a church.

GOOD NEWS

You do to God what they did to you, and He never leaves you.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
