

# MY BAD CHURCH EXPERIENCE

You Are Talking About Me

John 8:1-11

---

## THIS SERIES

A bad church experience should not keep you from knowing a good God.

- A church experience being good or bad is irrelevant to whether the Christian message is true or false.

## REWIND

MBCE #1: Only one for only one.

- Inconsistent obedience consistently obstructs.

MBCE #2: The people at church hurt me.

- Don't blame God for His followers' failures.

## TODAY'S BAD CHURCH EXPERIENCE

They talked about sin, including my sin.

## KEY THOUGHT

The church should talk about sin, but it must shout about the Savior.

- The focus is not the problem, but the solution.

## JESUS AND SIN

1. Jesus calls out sin.
2. Jesus wants people to stop sinning.
3. Jesus changes sinners.

## GREAT NEWS

The arms of the Savior are big enough for whatever I have done, am doing, and will do.

*Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.*
