

WHAT'S IN A NAME

Adonai

Exodus 4:10-17

WHY THE NAMES?

God told us His names because He wants us to know Him.

- The more you know God, the more you can experience of Him.

A CORE NAME

Adonai = The master or ruler. The one who is in charge.

1. Used out of respect to the formal name of God, Yahweh.
2. Connected to the name of God, Jehovah, which gives man a relational connection to God.

MAKING HIM ADONAI

You can't be His servant until He is your master.

- A position of submission is the key to transformation.

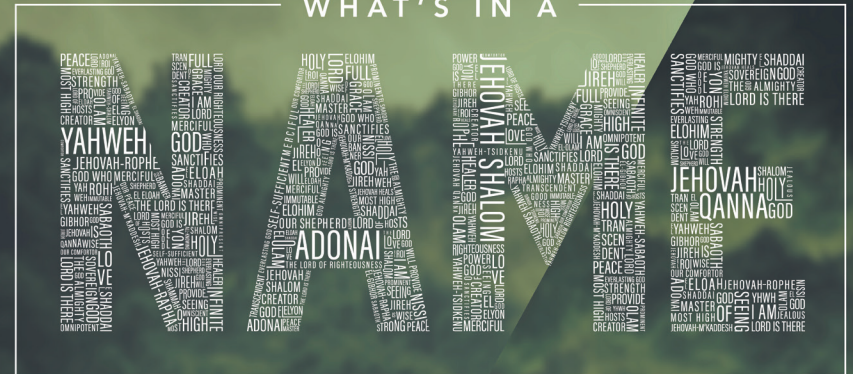

IN CHARGE

1. Is He Adonai of your morality?
2. Is He Adonai of your mission?
3. Is He Adonai of your motives?

EXPERIENCING THIS NAME

We can not expect large blessings with little obedience.
