WHAT'S IN A NAME

Jehovah Shalom

Judges 6:1-24

WHAT'S IN A NAME?

God told us His names because He wants us to know Him.

A NEW NAME

- Jehovah is the relational name of God.
- Shalom is the Hebrew word for peace.
- Jehovah Shalom: The Lord is Peace.

PREVENTION

Our <u>circumstances</u> can lead us away from <u>God's</u> peace.

THE TRUTH

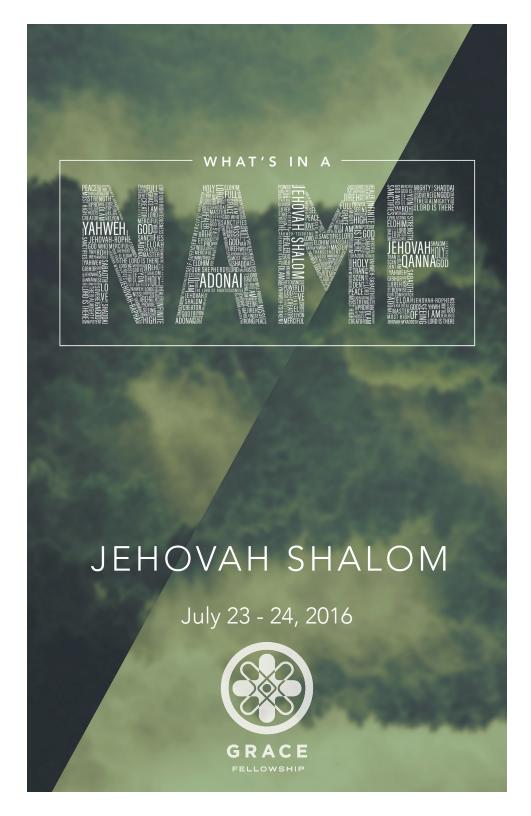

God's perspective provides true peace.

GOD GIVES US A NEW PERSPECTIVE

- 1. A new perspective of <u>ourselves</u>.
- 2. A new perspective of our circumstances.
- 3. A new perspective of <u>Him</u>.

THIS WEEK

<u>True</u> peace is <u>truly</u> God's passion.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
