# WHAT'S IN A NAME

# Jehovah Shalom

Deuteronomy 4:24

#### WHY THE NAMES?

God told us His names because He wants us to know Him.

#### A STRANGE NAME

Jehovah Qanna - A <u>jealous</u> God. God wants all the <u>praise</u> and <u>worship</u> for Himself.

#### **GOD'S JEALOUSY**

- 1. Has its context in covenant relationship.
- 2. Shows a zealousness to <u>protect</u> what <u>belongs</u> to Him.
- 3. Pushes humanity towards the worship that is rightfully His.

#### THIS NAME IN YOUR LIFE

You want to give what He deserves.

 God's jealousy moves you from a "have to" spirit to a "want to" spirit.

## WANT TO, NOT HAVE TO

- 1. His jealousy means I am valuable.
- 2. His jealousy marks His worthiness.
- 3. His jealousy mandates my lifestyle.

### WHEN I SEE IT

I want the one who wanted me.

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
