

Pinck & Company President Honored With *Enterprising Women* of the Year Award

Jennifer Pinck Named Top Woman Entrepreneur by National Publication

Boston (April 2012) – Pinck and Company’s president, Jennifer Pinck was recognized with a **2012 Enterprising Women of the Year Award** by *Enterprising Women* magazine. Pinck was one of only two business owners from Massachusetts to receive the 2012 award.

This award, in its tenth year, honors women business owners who have demonstrated that they have fast-growth businesses, mentor or actively support other women and girls involved in entrepreneurship, and stand out as leaders in their communities. Many of the award recipients are also leaders in key organizations that support the continued growth of women’s entrepreneurship.

Jennifer joined honorees representing companies from throughout the U.S. as well as Canada, the United Kingdom, Switzerland, India, Hong Kong and Turkey at the mid-March awards celebration in Fort Lauderdale, Florida. Award recipients were recognized in five categories ranked by annual sales revenues ranging from up to \$1million to more than \$25million.

“Enterprising Women of the Year honorees are so deserving of being in the spotlight,” said Monica Smiley, publisher and chief executive officer of Enterprising Women. “Each has demonstrated that she has a thriving, growing business; she has mentored or given back to support other women in business, and she stands out as a leader in her community. We could not be more proud of the accomplishments of our honorees.”
