Holiday/December GHCA Meeting – Ryan Keedy

We are excited to announce that our last meeting of the year will on Tuesday, December 12, 2017 at 7pm at the Giger Family home on South Street. We are extremely grateful to the Giger family for opening their home to host this meeting.

We are asking that neighbors that attend bring snacks or drinks for all to share. The end of the year meeting is less formal and is really a great time for us all to get together.

Financial Review – Ryan Keedy

We have collected over \$300 via Paypal which represents a significant increase over dues that we collected online in 2016. The idea for increasing dues was raised to help support additional activities such as an additional block party, seasonal events, and other items.
