Hat Making schedule 2018

Workshops are held at DeAnna's San Francisco studio. Price includes all basic construction materials.

For day long workshops bring a picnic lunch, there is a short break in the middle of the day; tea + coffee provided.

Please bring to first session: scissors, sketchbook and design inspiration. Please your desired workshop.

FEDORA + BOWLER WORKSHOP

"Blocking the shape and draping the pinch"

2-DAY WORKSHOP \$450.00

Time: July 19 + 20, THURSDAY + FRIDAY 10AM - 5PM

In this 2-day workshop students will learn to block a felt into a classic fedora or bowler shape using a 2 part hat block and customizing the hat with the hand draping method to create the crown shape of choice. Exploring many options for traditional trimming, students will learn to finish the fedora with grosgrain ribbon and hand and machine sewing techniques. This workshop is appropriate for first time students and continuing students who would like to learn more about shaping the crown by hand and furthering hat trimming skills. If you would like to work with a color other than black please make your request when sending the registration form.

Space is limited to 4 students.

No prior sewing skills are needed to enroll, novice + advanced students are welcome.

FELT DRAPING WORKSHOP

"Make the free-form felt hat of your dreams"

2-DAY WORKSHOP \$450

Time: AUGUST 12 + 13, SATURDAY + SUNDAY 10AM- 5PM

In this workshop students will learn free-form draping and hand sewing skills needed to create a soft draped felt velour hat that fits perfectly. Using steam and a basic head shaped block, students will learn to make a small or large brimmed hat of their own design and a variety of techniques for finishing a felt edge. This workshop is appropriate for the novice or continuing student who would like a chance to further their millinery skills. If you would like to work with a color other than black please make your request when sending the registration form.

Space is limited to 4 students.

No prior sewing skills are needed to enroll, novice + advanced students are welcome.

STRAW DRAPING WORKSHOP

"Make the free-form straw hat of your dreams"

2-DAY WORKSHOP \$450

Time: July 28 + 29 SATURDAY + SUNDAY 10AM - 5PM

In this workshop students will learn free-form draping and hand sewing skills needed to create a draped straw hat that fits perfectly. Using steam and a basic head shaped block, students will learn to make a small or large brimmed hat of their own design and techniques for sizing and adding structure to parisial straw. This workshop is appropriate for the novice or continuing student who would like a chance to further their millinery skills. If you would like to work with a color other than natural or black please make your request when sending the registration form.

Space is limited to 4 students.

No prior sewing skills are needed to enroll, novice + advanced students are welcome.

THE LITTLE BLACK HAT

"Make a hand blocked felt or straw hat"

2-DAY BLOCKING WORKSHOP \$400.00

Time : July 26-27, 2018, Thursday + Friday 10AM - 5PM

This will be a fast moving two-day introduction to the world of millinery. Students will learn to hand block a mini to medium size self-trimmed special occasion hat. The emphasis will be on learning how to manipulate the materials to the fullest with techniques including blocking, draping, cutting and wiring millinery straw and felt. An emphasis on good design and professional sewing techniques will give students the ability to walk away with a self created gem at the end of the weekend. This workshop is appropriate for the novice or continuing student who would like a chance to further their skills. Materials will be provided in black straw, felt, veiling and ribbon. If you have any trims, feathers or treasured vintage trims feel free to bring them to incorporate into your design. Space is limited to 4
