

FAQs:

What do I do when a title expires?

The titles will automatically return themselves for the next patron to borrow, no action is needed on your part.

What if I don't finish my book?

The option to renew a title becomes available three days before the title is set to expire and appears next to the title on your Bookshelf under your library Account. You can only use the renew feature once for each title you've borrowed.

Can I return an eBook early?

Yes! Press and hold book cover until menu opens with the *Return* option.

What formats can I use with the OverDrive app?

ePub and MP3

Why don't you have the classic title I'm looking for?

Many of those title can be found in our separate *Always Available* collection.

and Audio Books
with your

iPad, iPhone,
or iPod Touch

1. Install App

- Search for *OverDrive Media Console* in the App Store.

- Tap *Free*, and then tap *Install App*. and then tap *Open*. Apple ID password may be required to authorize installation.
- If you are under 13 years old tap on the *Continue* link. All others tap on *Sign up*. Choose which method you would like to sign in with: Facebook or create a personal account.
- Use the *menu icon* at the top, left of the page to continue the set-up.

- Find the *My Libraries* list at the top of your menu; tap *Add a library*.

2. Configure

- You can search for your library by name, town, or zip code. Then choose your library from the list of search results. If you are a resident in more than one library system you can repeat the process to add additional libraries to your list.
- Tap the star next to CLAMS, Inc. under Library Systems. This sets CLAMS as your favorite library resource for eBook downloads. You will not have to select a favorite library next time.
- Taping on CLAMS, Inc. brings you to the Overdrive homepage.

3. Check Out & Read

- To visit the catalog tap *Cape Libraries (CLAMS)* You will only see titles that can be accessed through iOS apps. Sign in to see all titles available.
- Search for a title you wish to borrow. You can browse through categories or use *Search*.
- To check out a title that is available tap *Borrow* and log in with your CLAMS library card. If the title is not currently available tap *Place a Hold* to add to your hold list (email address required).
- Tap *Download*, select format if necessary, and *Confirm & Download*. The title will be sent to your app.
-

- All downloaded titles can be found on the main *Bookshelf* space of your app. Tap the cover to enjoy your book.
- If you need to adjust book settings or return to your *Bookshelf* while reading tap the middle of the screen to access menus.
