Is Your Retirement on Track?

The Minnesota South District* and Concordia Plan Services are offering a pre-retirement workshop to help you as you plan for that very important time in your life: RETIREMENT! Start learning what you need to know about making plans for *your* future!

Workers of all ages who are serving the Church (*especially those age 50 or older*) and their spouses are encouraged to attend to begin understanding the process of planning for retirement and all that living in retirement entails. The workshop will cover retirement income and expenses, healthcare, saving for your future, and planning your retirement lifestyle.

**Workers from other districts are also welcome to attend!*

Paul Snyder, Retirement and Benefit Educator for Concordia Plan Services (CPS), will lead this workshop.
