

Journey of the Marist Bicentennial Paintings

To mark our Bicentenary, four pieces of art have been commissioned to make a national journey of Marist Australia between February and September this year. This journey of the four paintings was launched at Santa Teresa in Central Australia last week and will now continue this journey in two pairs – one starting in Cairns in the far north, and one in Perth in the west. The paintings will be passed from one Marist community to another, spending four or five days in each, with all four finally arriving in Mittagong. Throughout the eighth month journey, school communities will receive the paintings and gather around them, with prayer and educational resources available to help them to do this. The itinerary for the ‘journey’ of these paintings is as follows:
