

**TIFFANY REISZ
TO PUBLISH NEW EROTIC NOVEL
THE RED
ON JULY 11, 2017**

LEXINGTON, KENTUCKY, April 17, 2017—

The Red marks international bestseller Tiffany Reisz's return to the erotica shelves. Originally published as a limited edition hardcover for attendees of Shameless Book Con 2016, *The Red*—an erotic fantasy in the vein of Anne Rice's *Sleeping Beauty* quartet—will finally be available to the public this summer.

"*The Red* is the naughtiest, most explicit, sexually decadent book I've ever written," Reisz says. "If you've read my other books, you know that's saying something."

The heroine, Mona Lisa St. James, makes a deathbed promise that she will do anything to save her mother's art gallery, *The Red*. Just as she realizes she has no choice but to sell it, a handsome stranger makes her an offer: He will save *The Red* if she submits to him for the period of one year.

Reisz adds: "For years readers have been asking me to write *The Red*, a novel mentioned in the *Original Sinners* series written by my erotica-writing dominatrix Nora Sutherlin. Well, readers, be careful what you wish for."

Tiffany Reisz is the international bestselling author of the *Original Sinners* series for Mira Books and Mills & Boon, including the *RT Book Reviews* Best Erotic Romance 2012 winner *The Siren* and the LAMBDA Literary Award-winning *The King*. Her novel *The Saint* won the Romance Writers of America RITA® for best Erotic Romance in 2015.

Synopsis (Long):

Never make a promise you don't intend to keep...

Mona Lisa St. James made a deathbed promise that she would do anything to save her mother's art gallery. Unfortunately, not only is *The Red* painted red, but it's in the red. She soon realizes she has no choice but to sell it.

Just as she realizes she has no choice but to sell it, a mysterious man comes in after closing time and makes her an offer: He will save *The Red* if she agrees to submit to him for the period of one year.

The man is handsome, English, and terribly tempting...but surely her mother didn't mean for Mona to sell herself to a stranger. Then again, she did promise to do anything to save *The Red*...
