

# Coco makes coworking pop with modern touches in rustic space

## Coco

(Keri Wiginton / Blue Sky)

The space at 1046 W. Kinzie St. spans about 9,000 square feet.

1 / 11

When Minneapolis coworking company Coco bought West Loop-based Enerspace Chicago, the company put its own spin on the brick-and-timber space. The sunny spot, complete with sleek wooden sit-stand desks and colorful touches, offers a mix of work styles — and even a kitchen for cooking. Location manager Alysha-Aubrey Bursey took us for a tour.
