CELEBRATING HIS ABUNDANCE!

As the end of 2012 rapidly approaches, we cannot help but look back in awe of His continual provision over this ministry! We are reminded daily that it is not ours and we fully surrender it to Him.

We have endless reason to celebrate His abundance in 2012, as we have had the opportunity to see over 2,100 clients and offer free services to them. We have administered over 500 pregnancy tests, performed over 50 sonograms, had over 50 women/men choose life

for their child and over 50 clients give their hearts to Jesus!

Our staff and volunteers have daily testimonies of how the Lord has provided financially, and resources have come in "out of the woodwork". We have new volunteers with various gift mixes that heard about what we are doing and want to join our team. Our clients' lives are being transformed as they go through our "Learning For Life" incentive program, receiving life skills, parenting education and other com-

munity resources. A young family decides to keep their unborn child after meeting with one of our team members, as we impart hope where there was none, just 30 minutes before!

Heavenly Father, we thank you that your intense love does not measure, but that it continually gives! Teach us to love like that!
- Amen

Walk For Life 2012

Thank you again to everyone who participated in our most recent Walk for Life in both Redding and Red Bluff! We were so blessed by our underwriters, churches, individual sponsors, walkers and an amazing sea of volunteers!

Our Redding Walk was held on Saturday, September 8, 2012 at the Sundial Bridge. Our Red Bluff Walk was held on Saturday, September 15, 2012 at the Diversion Dam. Both walks had over 125 walkers participate along with approximately 60 volunteers per location.

We raised almost \$25,000 in sponsors and pledges. All of these funds go directly to operating costs of both centers so that we can provide free services to our clients. It has been so beautiful to see our communities and families come together to raise funds and promote awareness for life!

Thank you Shasta and Tehama County residents for loving us so abundantly! Make sure to mark your calendars for our next **Walk For Life in Spring 2013, Redding: April 27th & Red Bluff: May 4.**

Can't wait to see you all there!

Meet the Coates Family!

Carrie Coates first learned of Care Net as she noticed our sign for free pregnancy tests. Upon learning she was pregnant, she became an enthusiastic participant in our Learn For Life program, along with her husband James. The two of them have taken advantage of our extensive curriculum on a variety of subjects pertaining to prenatal, postnatal care, parenting, life skill education, etc.

On March 29, 2012, Carrie gave birth to her third child, a little boy named James II. When asked which element of the program she enjoyed most, she stated that it was the section on the Bible, and was also very complimentary about the volunteer staff and their support through the entire process.

Baby James II, now almost 8 months old, is beautiful and thriving. Our team celebrates with their family this season. Thank you for allowing us to be a part of your journey! We are SO proud of you Mr. & Mrs. Coates!

DONATE: Become a monthly donor, underwriter for specific events, one time pledge, diapers (size 4 & 5), baby furniture/items, office supplies, printing, copy paper, coffee, use our S.H.A.R.E. cards, etc.

FROM THE DIRECTOR'S DESK

As some of you may know and others have yet to discover, I just recently stepped into the role as Executive Director of CareNet Pregnancy Center of Northern California on August 27, 2012. As a former client, volunteer, board member and dear friend to Sheridan Wade, it is my honor and privilege to represent you in the future. We have released Sheridan back to her homeland of Texas to be with her family. I, being a resident of Shasta County most of my life, have been called to this ministry. I am a single mother of two beautiful girls, Kendra (18) and Elise (8); a former director of a local non-profit purity ministry; graduate from Simpson University with both my B.A and CA teaching credential. I invite you to stop by either center M-F for a quick tour to personally see the amazing things happening in our community! I very much look forward to meeting you! May He bless you wildly this season!
