

Hosting a Fame Party

Getting Started

As a host family, you'll round up 15–20 families to participate in a stress-free photoshoot with a hand-picked Star Photographer. Once the party date is confirmed and invites sent, you will schedule each family for a free 15-minute session with a 15-minute break for your photographer scheduled every 6th session.

The Day of the Party

We setup the photobooth in your home—or, if it's a gorgeous day, we can shoot outside, too! During the shoot we encourage the use of fun props, and even allow for a quick outfit change. And, for the adults, you can request champagne for mimosas!

Packages

On average, each Famer will end up with 60–100 images from their 15-minute session, fully edited in the 15 Minutes of Fame style. Famers can choose to order a packages the day of the shoot or wait and see their images before purchasing a package or à la carte items. If a family decides to purchase a package the day of the shoot, they will save \$50 off the price of that package!
