

# Attending a Fame Party

## What is a Fame Party?

Fame Parties are an opportunity for you to participate in no-stress photoshoot with a hand-picked Star Photographer. Once you have received your invite from a host family, you sign up for your free 15-minute session. The day of the shoot you may choose to purchase one of our packages listed below at a discount, or you may wait and see your images before purchasing a package or á la carte items.

## At the Party

We will have the photobooth setup inside—or, if it's a gorgeous day, we can shoot outside, too! During the shoot we encourage the use of fun props, and even allow for a quick outfit change. And, for the adults, host families can request champagne for mimosas!

## Packages

On average, each Famer will end up with 60–100 images from their 15-minute session, fully edited in the 15 Minutes of Fame style. If you decide to purchase a package the day of the shoot, you will save \$50 off the price of that package!
