Easter Season: Hunger Issues

Take time as a family to learn about hunger issues where you live and around the world. There is a simple project for each week of Easter to help you and your household learn about hunger and provide a real gift to help your local community.

Week 7:

Share your experience with someone else. Decide as a family how to share your experience. You can call another family member, write notes on pictures you took, send a card to the food bank, write it in a blog, write an article for the newsletter at your congregation, share your experience here at [www.faithformationjourneys.blogspot.com](http://www.faithformationjourneys.blogspot.com)

Faith on the Go

God of love and community, be with us as we work to be your hands and feet in the world. Be with us as we seek to find the good in each other and share your good news. Be with us as we work to build a community around you and your love. Amen.

What made you feel close to God today?  
What made you feel close to your loved ones today?

John 17:6-19 - Jesus prays for his disciples

Day 1

John 17:6-8  
Who has helped you learn about Jesus? What stories, events, or actions have increased your faith?

Day 2

John 17:9-10  
Who would you choose to speak for you? Who do you think would represent you with truth and love?

Day 3

John 17:11-13  
What do you think Jesus means when he says, "that they may have my joy made complete in themselves"? What would complete your joy?

Day 4

John 17:14-16  
What does it mean to not belong to the world? Does that mean the world means nothing to you? Does it mean that the world cannot condemn you? Does it mean something more?

Day 5

John 17:17-19  
We are sent into the world as Jesus was sent. Is that a call to be quiet and safe? Or is that a call to risk safety for what you know is right and good?

**May the living Christ raise you up and bring you joy! Alleluia!**
