Pentecost: Caring for Creation

Take some time to focus on caring for creation at home, your neighborhood, town, and world! Each week focuses on a small project that your whole household can do together.

This Week

Plant something! Enjoying the beauty of creation is fun. Plant something in a garden or pot at home or offer to plant something for a neighbor. You could also find out where in your community trees need to be planted. Then go to www.kidsface.org/pages/plant.html to find out how to plant a tree.

Faith on the Go

Loving God, we thank you for the mercy, love, and hope that you have given us. We thank you for your trust in us. Teach us to be loving and merciful in our relationships. Help us to spread the hope of your love in the world arounds us. Amen.

When did you feel God’s love today?
How did you share God’s love today?

John 3:1-17 - Nicodemus Visits Jesus

Day 1

John 3:1-2
What have you seen with your own eyes that was unbelievable? What did you want to know after you saw it? What questions did you have?

Day 2

John 3:3-6
Jesus’ words suggest that there are moments of understanding where we can see the Kingdom of God. Have you ever prayed that you could see with Jesus’ eyes?

Day 3

John 3:7-10
Where has the wind of your faith blown you?

Day 4

John 3:11-15
What helps you to believe? Is it the stories of God’s works? Is it the goodness of the world? The beauty of creation?

Day 5

John 3:16-17
What do you hear in these verses? Do you hear a call to faith in God? Do you hear the good news of God’s salvation freely given?

May the mighty wind of the Holy Spirit set your faith on fire.
