### Week 2:

Find your list from last week (go to the website below if you missed last week's devotion page!). Look again at the part of the list that includes "community" property. What are the ways that you care for these things? Do you give them your time, or money? Does it seem like any of them are more important than others? Or do you give more to some things than others? Discuss the items that get the most attention from your household, and think about any adjustments that you want to make as a household.

## Faith on the Go

Dear Jesus, we are so grateful that you want us to be close to you always. Let us remember that you walk with us everyday no matter what! Jesus, let us hear your voice calling us to share your love with others in the world. Amen.

How were you salty today?  
How were you a little bit bland?

Mark 9:38-50—Temptations to sin

Day 1

Mark 9:38-39

Sometimes we worry when people don't believe exactly like us. Does it matter where or from who someone learns about God and Jesus? Why or why not?

Day 2

Mark 9: 40-41

Verse 41 reminds us that the important factor is that we serve one another in Christ's name. When was a time that someone served/helped you even though they didn't know you?

Day 3

Mark 9: 42

What can you do to pass the faith of Jesus to someone around you? A child? A youth? An adult?

Day 4

Mark 9:43-48

What are some ways you intentionally or unintentionally separate yourself from God and being wholly committed to Christ and the mission of God in the world?

Day 5

Mark 9:49-50

What spiritual practices (devotions, prayer, walks in nature, worship, etc.) keep you "seasoned?" Do these practices allow you to "be at peace" with others too? Share the peace of Christ with someone today!

**You are salty, go add flavor to the world!**
