Transfiguration and Healing

When Jesus took Peter, James, and John up the mountain he wanted to show them something special. Jesus wanted them to see one of the ways the kingdom of God could interact with the world. Then the very next story that happens, as Jesus heals a boy, they see another way that the kingdom of God interacts with the world.

What "mountain top" experiences have you had in your life? Take time to discuss them with your household or with friends.

Then, what can you do with those mountain top moments? Can you volunteer at a hospital? Can you serve food at a shelter? Help out at the animal shelter in your town?

As we move into the season of Lent think of places where you can give the energy from your mountain top moments to the community you live in.

Faith on the Go

God, your light shines in the darkest corners of our lives. We give you thanks for calling us your own and loving us. Lead us where we will shine your light of love to all the world. Amen.

Where did God's light shine on you this week?
Where did you shine God's light for others?

Luke 9:28-43 - Jesus Transfigured and a Boy Healed

Day 1

Luke 9: 28-29

Praying is a major theme in Luke. Where is the place or time that you like to pray? When is a time that you unexpectedly knew that you needed to pray?

Day 2

Luke 9: 30-32

The word "departure" can also be translated "exodus." What is Jesus leading us out of? Where are we headed?

Day 3

Luke 9: 33-36

While Moses and Elijah had been important prophets, there is only one voice that we listen to: that of God. How do you listen for God's voice in your life? Tell about a time when you heard God somehow speaking to you.

Day 4

Luke 9: 37-40

This desperate parent is asking Jesus to cure his son. He has tried the disciples to no avail. Tell about a time when you had a problem and you tried everything you could but then realized the only option was to give it to God.

Day 5

Luke 41-43

Jesus seems angry with the crowds for their disbelief. What strengthens your faith and belief in God? Is it prayer, actions of others, witnessing a "miracle," your family, faith community?

May the Lord bless you with peace
