Season of Easter: Neighborly Acts

Earth Day!

The Fourth Sunday of Easter is often near Earth Day, April 22. Whether Earth Day is coming, is here now, or already a little bit past, do one thing each day to care for the Earth. Day 1: Recycle two objects. Day 2: Find another use for an object before throwing it away. Day 3: Use canvas shopping bags. Day 4: Use a reusable water bottle. Day 5: Turn off the water when you brush your teeth. Day 6: Turn off lights when you leave a room. Day 7: Walk or bike instead of driving somewhere.

Faith on the Go

Creative God, We praise you for all your good works! For the sea, the land, and the air. We give you thanks for the planet that sustains us and feeds us. Help us in our desire to repair and maintain your creation. Amen.

Where did you notice God's renewal today?
What do you need God's renewal today?

John 10:22-30—Jesus is Rejected by the Jews

Day 1

John 10:22-23

Jesus is in Jerusalem, a place considered holy and set apart as a place where God dwells. Are there places you consider holy?
What is it that gives them this meaning for you?

Day 2

John 10:24-25

What does the word testify mean? How is what we do a testimony to what we trust to be true about God?

Day 3

John 10:27

What does it mean that sheep hear the voice of Jesus? Who are the sheep? How is it that we can know Jesus' voice?

Day 4

John 10:28

What is the promise in this verse? How can this be good news?
How can this be hard news?

Day 5

John 10:29-30

What does it mean that Jesus and the Father are one? Why is this difficult to understand? How do we know about the oneness of Jesus and the Father and the Holy Spirit today?

(Share the sign of the cross with one another and say)

Christ is Risen! Christ is Risen indeed! Alleluia!
