Pentecost Season 4: Service to Education

Week 1

Schools are always looking for extra help. It could be teachers needing help in the classroom, or with organizing supplies, or extra eyes at lunch and recess times, or help in the library or computer lab, or many other things! This month we encourage and challenge you to reach out to your local school or schools and find some way to help them out.

First, figure out which school you want to help, and what you can do to help. Are you free during the day? Maybe volunteer to spend some time in a classroom or in the library. Are you busy all day but could give a little time in the evening? Offer to help a teacher organize supplies, or prepare lessons. Contact the school you would like to help and see how to volunteer this week.

Faith on the Go

Welcoming God, you invited us all to the table. May we share what we have so that all may be fed and satisfied. You bless us all to be a blessing to others. In Jesus name, Amen.

Where were you welcome today?
Where did you show welcome?

Luke 14:1, 7-14—Humility and Hospitality

Day 1

Luke 14: 1
Do you behave differently when you know that someone is watching you closely? Do you think Jesus did?

Day 2

Luke 14: 7-9
Would you ask someone to move if they were in your seat at church, at home or somewhere else?

Day 3

Luke 14: 10-11
Who is someone in your school, community or work place that tends to not be recognized or even ignored?

Day 4

Luke 14: 12-13
How can we be hospitable to those whom we don't normally associate with? How can we include all people in our lives?

Day 5

Luke 14: 14
Has someone that you do not know and so could never repay done something helpful for you?

God be in your head, God be in your heart, God be on your left, God be on your right.
