The Logo

The logo consists of three words: 'INTERCULTURAL', 'THEATRE', and 'INSTITUTE'. 'INTERCULTURAL' is at the top, slanted upwards from left to right, with a color gradient from blue to green. 'THEATRE' is positioned below it, also slanted upwards, with a color gradient from yellow to red. 'INSTITUTE' is at the bottom, slanted downwards from left to right, with a color gradient from red to purple. The words are interlocking and viewed from different perspectives, creating a dynamic and colorful composition.

ITI's borderless wordmark consists of the three words of the institute's name, viewed from different perspectives, interlocking at different angles, and in a spectrum of colours. These aspects of the design signify the institute's openness to different theatres, and intercultural approach to theatre training that uses a diverse mix of theatrical forms from various cultures.
