ELC Program Rotation

ELC Young Explorer Programs: Each season the ELC will offer at a minimum 6 different Young Explorer programs. These programs are designed for ELC students 3 -5 grades. These will include a wide variety of programs that will not be offered on a set schedule. Examples include: Rock Climbing, Geocaching, Spring Naturalist, Backyard birding, and much more.

Intro and Explore Programs: Intro and Explore programs will introduce participants to the all that the Red Wing area has to offer. These are great ways to try programs and are designed for students who are in 6-8 grades.

ELC Core Programs: Core Programs are skill based programs that build upon skills, knowledge and experience from previous levels. ELC Core programs include: Rock Climbing, Backpacking, Canoeing, Whitewater Kayaking, Sea Kayaking, Winter Camping, XC Skiing, Bike Touring, Spelunking and Pioneering. Level III's will be offered on a rotational basis. These programs are for students who are in 6-12 grades.

ELC Elective Programs: Elective Programs will include a wide variety of programs that will not be offered on a set schedule, but rather as interest and scheduling allows. Examples include: Snow shoe Construction, Orienteering, Sugar Maple Tapping, Archery, Hunting, Fishing and much more. These programs are for students who are in 6-12 grades.
