TENTH ANNUAL EXPRESSIONS ART EXHIBIT:

Beginning today you may see many expressions of joy, hope, gratitude, grief, fear, doubt, faith, and culture from our members – paintings, sculptures, photography, poetry, song, video, clay, glass, writing, collage, textile arts, and many more! The last nine exhibits have shown us that art shared together is powerful. It uplifts, encourages and inspires us as a family of faith. The exhibit is open *each Sunday through August 10* in Heritage Hall from 12:00-1:00 PM.

COFFEE GROWN BY KAREN FARMERS FROM THAILAND FOR SALE

Steve Clark and Annette Ellard have a few dozen bags of coffee grown and roasted by Karen farmers in northern Thailand. The "Tobeebay" coffee 1 pound bags are \$14; 2 pound bags are \$25. You have a choice of three different roasts as well as whole beans or ground coffee. The coffee is not "certified" organic or fair trade' however, it is organically grown and fairly traded. Profits garnered by selling the coffee give Karen tribal people a source of income to support their families and help advocate for the well-being of ethnic minorities like the Karen in Thailand.

If you wish to purchase a bag, see Steve and Annette or email them at steve.annette@yahoo.com

SUGGESTIONS FROM THE SOCIAL JUSTICE TEAM

- 1) SAVE THE DATE! **October 18-19**. Carrie Newcomer Concert, Workshop, and Sunday Worship
- 2) Social Justice movies will resume in September.
- 3) Consider a rechargeable battery run lawnmower: one way to help care for God's creation for future generations.
 - **17 million gallons of gasoline are spilled refueling lawn mowers in the U.S. every year
 - **800 million gallons of gasoline are used mowing lawns in the U.S. every year
 - **270 million tons of pollutants are emitted into the air from lawn and garden equipment every year(statistics from Neuton lawn mower company, Vergennes, VT)
See Bobbie Thomason for more information.
