THANK YOU...

I have felt the love and support from my church family during these past months of dealing with my back issues. I believe in the power and prayer because I felt the uplifting spirit.

Thank you for the cards, phone calls, visits and prayers during my preparation for surgery and the recovery. I have a ways to go before full recovery, but with your support and prayer for Eileen and me, we will achieve it.

CHURCH INVENTORY IN PROCESS

The Finance Team recently started the task of taking an inventory of the church’s assets including the building. Members of many Sunday School classes are serving as those room’s coordinators for this task. Not only is a written description of the room’s contents being done, but photographs of the rooms are also being taken. Glen Skaggs provides the photography assistance to members of the Finance Team in compiling this inventory. During this initial phase of the inventory, we record what furniture, equipment, electronic equipment and pictures are in each room at that time. Supplies, books and toys are not being identified except by photographs. We envision videotaping each room to also record the rooms’ contents. This inventory is being undertaken not only for insurance purposes but for our knowledge. The records will be kept off-site for security purposes.
