WORSHIP AT CRESCENT HILL

SUNDAY, SEPTEMBER 27

Jason Crosby preaching

Mark 9:38-50

"The Marks of the Followers"

EMPOWER WEST SUMMIT

When? **Wednesday, September 23** at 7:00pm

Where? St. Stephen Baptist Church, 1018 S. 15th St., Louisville, KY 40210

Why? Following the shooting at Mother Emanuel AME Church in Charleston, SC in June, a group of pastors and leaders from predominantly white and black, east end and west end churches began meeting weekly. Those around the table, including Jason Crosby, have learned much from those dialogues about racism, the current state of West Louisville, and ways to resolve the problems before us. That group will share some of what has been gleaned from time together with the community so that divides between us may continue to be bridged.

How? You can meet us at St. Stephen or you can ride on the church bus to St. Stephen, which will depart CHBC at 6:30 that evening.

READING GROUP

The Reading Group will convene on **Thursday, September 24** at 7:00 PM in the Church Parlor to discuss *I Am Malala: The Girl Who Stood Up for Education and Was Shot by the Taliban*. This courageous young woman, who won the Nobel Peace Prize, continues to work for change all over the world. Read and join us!

WEDNESDAY, SEPTEMBER 30

Father Jim Flynn is a much loved elder priest who has been devoted to justice causes throughout his career. On **Wednesday evening, September 30**, he will be providing us with an overview of the encyclical released May 24, 2015 subtitled "On Care for Our Common Home." The Pope critiques consumerism and irresponsible development, laments environmental degradation and global warming and calls all people of the world to take "swift and unified global action."

CBF AND CLIMATE CHANGE

On **Thursday, September 24**, Suzii Paynter, Executive Director of the Cooperative Baptist Fellowship, will participate in an interfaith event at the National Cathedral in Washington, DC entitled Coming Together in Faith on Climate Change. Religious leaders will celebrate Pope Francis' encyclical and extend his call to their particular traditions.
