READING GROUP

The Reading Group will discuss Anne Tyler's 1991 novel *Saint Maybe* on **Thursday, March 31** at 7:00 PM in the Church Parlor. A young man (Ian Bedloe) believes he has caused his brother to commit suicide, as a result of which his brother's wife also commits suicide. Weighed down by guilt, he encounters a little congregation, The Church of the Second Chance, which changes the whole trajectory of his life. Tyler shies away from simple conclusions: the church certainly transforms Ian's life, but the end result is complex and fascinating. Softback copies of the book are available at a discount at Carmichael's—mention the CHBC Reading Group. All are invited to read and join the group for lively discussion and warm fellowship.

His brother (Paul Schneider) and sister-in-law (Emily Mortimer) worry about him, so when he announces that he has a girlfriend he met on the Internet, they are overjoyed. But Lars' new lady is a life-size plastic woman. On the advice of a doctor (Patricia Clarkson), his family and the rest of the community go along with his delusion.
