READING GROUP

The Reading Group will discuss Anne Tyler's 1991 novel *Saint Maybe* on **Thursday, March 31** at 7:00 PM in the Church Parlor. A young man (Ian Bedloe) believes he has caused his brother to commit suicide, as a result of which his brother's wife also commits suicide. He encounters a little congregation, The Church of the Second Chance, which changes the whole trajectory of his life. Tyler shies away from simple conclusions: the church certainly transforms Ian's life, but the end result is complex and fascinating. Softback copies of the book are available at a discount at Carmichael's—mention the CHBC Reading Group. Read and join us for lively discussion and warm fellowship.
