The class meets in Heritage Hall and invites any interested person or class to join them. If your class plans to join the group, please let the church office know so we will set up enough chairs.

October's meeting should be a fun and informational afternoon. On ***Friday, October 21*** (Please note date change from Monday to Friday), we will meet in the church parking lot at **12:30 PM** to ride by church van to Cave Hill for a tour led by Louisville historian Steve Wiser. Lunch will **not** be provided. Cost: \$5.00.

VOTER EDUCATION SESSIONS

On ***Sundays, October 23 and November 6***, voter education and polling practice will be available in Fellowship Hall from 9:00 AM-12:00 noon. INTERFAITH THANKSGIVING DINNER

Crescent Hill will be the host for this year's Interfaith Thanksgiving Dinner which is sponsored by Interfaith Paths to Peace. It will be held on **Monday, November 21** at 6:00 PM. If you are interested in helping with hosting duties, please contact Jason.

SOCIAL JUSTICE MOVIE

Wag the Dog is a 1997 black comedy film produced and directed by Barry Levinson. The screenplay by Hilary Henkin and David Mamet was loosely adapted from Larry Beinhart's novel *American Hero*. The film stars Dustin Hoffman and Robert De Niro, with Anne Heche, Denis Leary, and William H. Macy in supporting roles.

The film follows a Washington, D.C. spin doctor (De Niro) who, mere days before a presidential election, distracts the electorate from a sex scandal by hiring a Hollywood film producer (Hoffman) to construct a fake war with Albania and, once underway, the media is entirely focused on the war.

The Social Justice Team will sponsor the showing of this movie on **Friday, October 21** at 7:00 PM in the Parlor. All are invited.

READING GROUP

On **Thursday, October 27**, the Reading Group will gather at 7:00 PM in the Parlor to discuss Molly Guptill Manning's book *When Books Went to War*. It is a thoroughly engaging, enlightening, and often uplifting account of America's counterattack against Nazi Germany's wholesale burning of books. During World War II, the US government, along with librarians and publishers, dispatched millions of books to American GIs, sailors, and fliers, using the written word itself as a powerful reply to tyranny, thought control, absolutism, and perverse ideology. (Tim O'Brien, National Book Award winner). Discounted copies of the book are available at Carmichael's – just mention the CHBC Reading Group.
