Dr. Mugabe is a graduate of Southern Baptist Theological Seminary and an international guest brought to the U.S. by the Society of Christian Ethics this year.

LIVE WIRES

Our Live Wires group will resume monthly meetings after a brief winter hiatus. On **Monday, March 20** they will gather in Fellowship Hall to hear Kentucky native and author Betty Stokes tell about her interest in Kentucky history which inspired her work as an author of children's literature. Her books are about William Clark, George Rogers Clark, Daniel Boone and Abraham Lincoln. Lunch will follow at noon; cost is \$7.00.

A READING GROUP CLASSIC

The Reading Group will read and discuss an American classic, *A Tree Grows in Brooklyn*, on **Thursday, March 30** at 7:00 PM in the Church Parlor. Last fall the group read *When Books Go to War*, the story about books made available to service personnel during World War II, and discovered that *A Tree Grows in Brooklyn* was the most requested volume. So we decided it was time we re-read it. Emilie Coulter of Amazon.com writes: "Smith's frank writing about life's squalor in colorful, turn-of-the-century Brooklyn was alarming to some of the more genteel society, but the book's humor and pathos ensured its place in the realm of classics--and in the hearts of readers, young and old."

Softback copies are available at a discount at Carmichael's when you mention the CHBC Reading Group. Re-acquaint yourself with this classic—or discover it for the first time. Join us for lively conversation and warm fellowship.

A WAY TO SUPPORT SYRIAN REFUGEES DURING RESETTLEMENT CESSATION PERIOD

The hearts of our Compassionate City have been moved by the images of refugees attempting to arrive by boat or even swim to the nearest shores of Greece. Thousands of refugees are stranded and crammed in camps outside Athens and on nearby Greek islands. *The refugees are homeless, helpless, and hungry.
