

Refuge Counseling Center LLC

Reduced Rate Request

The mission of Refuge Counseling Center is to offer affordable professional Christian counseling services to our clients. Our regular fees are set at approximately 30% below market value for similar services in the Treasure Valley. In line with our mission as a charitable organization, each counselor is able to offer a limited number of reduced-rate sessions for those experiencing temporary financial hardship or those whose income falls below the median household income for the state of Idaho.

Please fill out the form below and return it to the receptionist at Refuge Counseling Center. Please note that filling out this form does not guarantee a reduction will be made from the regular fee amount. In the event that all available reduced-rate sessions are filled, you may reapply on a monthly basis until space is available.
