

November 2016

Dear Club Member,

Permit Fees

The committee of GGMTB have made a call that after keeping permit fees unchanged since 2012, that with effect January 2017 our fees will be increased as follows:

- | | |
|--|---|
| • Annual (PPA paid up member) | R180 |
| • Annual (regular member) | R360 |
| • Temp/day permit (Paid up PPA member) | R25 (valid for 48 hours, i.e. full weekend) |
| • Temp/day permit (regular, non-PPA) | R50 (valid for 48 hours, i.e. full weekend) |

Changes to Annual Permits

We are also making a change to the annual permit/membership by making the period for which the annual permit is valid from January to December of each year, and a different colour board will be used to distinguish the different years.

In order to achieve the above, we will introduce a pro-rata rate when purchasing your annual permit, so that if you purchase in January, you will pay the full annual fee, and if you purchase in February, you will pay for 11 months, March will be for 10 months and so on.

This means that at end December in the year of purchase, your annual permit will expire irrespective of when purchased during the year. (Previously annual permits lasted for 12 months from date of purchase.)

For purchases of annual permits in either November or December, you will pay the full fee for the following year, plus the pro-rata rate for either 2 or 1 months.

PPA Membership

For the members who enjoy a 50% discount due to holding PPA membership, you must supply your PPA number when purchasing your permit (annual or day) so that your membership with PPA can be verified.

If you have any queries or questions please do not hesitate to contact any club committee member for more details.
