Dear Mr. Restrepo,

I am pleased to notify you that Garden State Episcopal Community Development Corp.'s application for the Neighborhood Revitalization Tax Credit (NRTC) Program that was submitted in November 2013 has been accepted into the "Qualified Projects Pool." Information about your project application will be made available via the NRTC website to companies that are eligible to contribute funds and to receive the program's tax credits during the current state fiscal year. Companies that participate will choose the qualified projects that they wish to support. If your project application receives sufficient support through the Qualified Projects Pool, it will be recommended to the Community Affairs Commissioner for funding approval.

Please note that this is not an award of funding, or an intent to award funds. The decision to award NRTC funds will be made by the Commissioner. Also, please note that any expenditures that are incurred with respect to activities in your application, prior to an award of NRTC funds and execution of a grant agreement with the Department, are incurred at your organization's expense.

If you have questions, please contact the NRTC staff: Brad Harrington at (609) 633-6273 or Bradley.Harrington@dca.state.nj.us; or Chris Hibbs at (609) 633-6264 or Christopher.Hibbs@dca.state.nj.us.

Sincerely,

Ana A. Montero
Assistant Commissioner
