

GREEN ZONE

SUPPORTING STUDENT VETERANS

WHAT IS GREEN ZONE?

An initiative that encourages awareness and support of student veterans. Georgia Perimeter College faculty and staff members across all campuses are displaying stickers and posters that identify their offices and work spaces as "Green Zones," or veteran-friendly areas. The purpose is to promote a safe and supportive environment for GPC student veterans and to build a network on campus.

Look for the Green Zone logo (see the front of this brochure) and enjoy your time at GPC!

KEY CONCERNS OF VETERANS TRANSITIONING TO STUDENT LIFE

TRANSITION

Military veterans often face many challenges in readjusting to civilian life. These challenges may include psychological, physical, family or financial issues.

NAVIGATION

Student veterans often struggle with understanding and navigating college departments, sometimes unaware of the resources available to them.

UNDERSTANDING

Understanding the unique needs of student veterans is critical to their success. Challenges include academic preparation, past military experiences and physical or mental difficulties.

CONCERN

Knowing someone is concerned, willing to listen and able to offer guidance can be the difference in success or failure.
