## How do I get started?

It's easy!

First, go to the following website

<http://smile.amazon.com/ch/74-2683098>

This link will take you to the same Amazon website, but with a small twist. The code at the end of the link was set up especially for the band. When you log in, you should see something like this...

Now you just shop how you normally would!

## ***I've used AmazonSmile before, but for another charity. How do I reset it to point to the Band Boosters?***

***I have the Amazon App on my phone. Does Amazon Smile work on it?***

No. At this time, the Amazon App has not been updated to recognize your AmazonSmile setting. But you can use it through your browser! Just navigate to the same link noted above. You will have to log into your Amazon Account. Once you’re logged in you’ll be able to see your charity set up.

Then you can save the link to your home screen and now, you'll be able to shop from your mobile phone! (Android process may be slightly different.)

### ***How much can we make?***

In 2014, the average planned spending per family is \$861. Our band has approximately 350 families. If during the Christmas season, everyone were to buy their holiday gifts on AmazonSmile, the total spend would be \$301,350. The percentage of that amount going to the band could be \$1,500. This does not include all the purchases that could go on throughout the year for birthdays, anniversaries and other gift-giving holidays!
