

Griffin Hart Memorial Scholarship

Caring, friendly, kind, outgoing, and most of all – funny. These are some of the words Griffin’s classmates used to describe him. Griffin was inclusive of everyone and had a “we got this” attitude about everything. If someone was standing by themselves, he would make it his mission to make them laugh and to make them feel like part of a family.

He enjoyed the community and friendships that band provides and always tried to take the opportunity to brighten someone’s day and help others in his own small way. Griffin looked forward to football games because he was able to let his true self come out while surrounded by his friends and band family. He didn’t realize how much of a light he was in the band program, but being a brother to everyone in it was his favorite thing about being in band.

Friends and family of Griffin donated funds in his memory to the Round Rock Band Boosters after his passing last year. RRBB has decided to use those funds for scholarships to be awarded to seniors in the class of 2018, his graduating class. These will be one-time only scholarships for this specific class.

In true Griffin spirit, these are not your normal scholarship criteria.

- Please use the attached form to answer the following with short, written statements explaining how you:
 - Will use the money to pay it forward when you go to school;
 - Connect with people and exemplify Griffin’s characteristics (caring, friendly, kind, outgoing, funny);
 - Are awesome!

Completed forms need to be submitted to the band hall and are due at the same time as the normal senior scholarships, Tuesday March 6th, 2018.

**Round Rock Band Boosters, Inc.
