

LIKE A STONE

Key of B

E B E B E B F# F#sus4 F#

VERSE 1:

E B E B E B F# F#sus4 F#
I was a bad case. You were a lamplight. The amber's over me.
E B E B E B F# F#sus4 F#
I was a lost way. You were the free gold. This sinner's matchless prize.

CHORUS 1:

E B F# G#m
And then you threw me like a stone as you taught me right from wrong since I
E B F# F#sus4 F#
Needed someone like that.
E B E B E B F# F#sus4 F#
I saw a new day. You were that freedom. My hurricane now passed.

VERSE 2:

E B E B E B F# F#sus4 F#
This land is mighty, but this land is broken down. We need it risen from the dead,
E B E B E B F# F#sus4 F#
'Cause we are hungry, and we are naked. Our blindness seals the tomb.

CHORUS 2:

So won't you move us like as stone as you teach us right from wrong 'cause we
Sure need someone like that.
Let's see this new day. You are that freedom. Our children's lives to bloom.

So won't you move us like as stone as you show us what went wrong 'cause we
Sure need someone like that.
We won't be able, unless you raise us up--our remedy and cure.

BRIDGE:

G#m G#m/F# E B E B F# F#sus F#
And from my wounds I will bleed this prayer, 'till this old body falls dust within the air.
G#m G#m/F# E B E B
F# F#sus F#
When all has turned towards the blackest part of hate, I will give up all my soul
to the one who fashioned grace.

CHORUS 3:

So won't you move us like as stone as you teach us right from wrong 'cause we
Sure need someone like that.
Let's see this new day. You are that freedom. Our children's lives to bloom.

And when you move us like a stone then we'll be where we belong and we'll
Finally be sure who lives.
You are the outline. You are the inside lane. All things becoming bright.
