BisMan Community Food Co-op
PO Box 22
Bismarck, ND 58502

Dear BisMan Community Food Co-op Board:

I'm writing to express my interest in the current opening on the Co-op Board. As a founding member of the co-op, head of the co-op's marketing committee, and a passionate advocate for local food in Bismarck-Mandan over the past decade, I would make an excellent addition to the board.

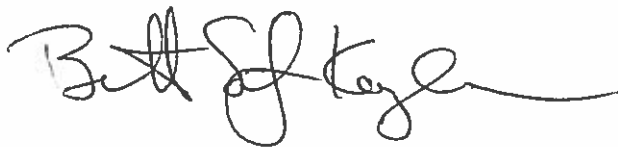

As Chief Operating Officer at Agency MABU, I bring expertise in marketing, communications, and collaboration with community partners to amplify messages and bring greater transparency to the co-op's communications.

As former treasurer of the local chapter of International Association of Business Communicators (IABC) and former president of the Friends of the Bismarck Public Library, I bring ample board experience, including leading the library group in its fundraising initiatives, raising over \$50,000/year for library expenditures outside its annual operating budget.

As a lifelong resident of Bismarck, I bring a deep understanding of this community, its history, and its people.

If elected by the co-op membership, I look forward to working with you, continually working towards a better, stronger co-op.

Sincerely,
